THE MINUTES OF THE REGULAR MEETING OF THE MRAC HELD FEB.,12th

Due to the absence of Pres. Kircher Mr. Felber called the meeting to order at 8:10 PM .

The Secy. called the roll which showed 36 present of whom 26 were members.

Mr. Felber read a lengthy letter from K. B. Warner of ARRL. In this letter he outlined plans to be devevoped and presented in future issues of QST involving wired wireless and various other matters of interest to the experimenter. He announced that the government is interested in purchasing commercial built ham Transmitters. He also stressed the need of hdqts., for capable women radio hams as well as hams with physical defect which would preclude them from entering the armed forces.

Mr. Ruger announced that Romie Hudzinski will be with us soon with some reels of Aviation motion pictures of interest to all of us. Mr. Kruse's lecture has been postponed until early in April.

Mr. Sprattler introduced the speaker of the evening Mr. Watts of the Telephone Co. Who gave a very enligtening talk illustrated with slides on the History and Developments in Carrier Telephone Systems. The talk was very well received by the membership.

Mr. Sprattler announced that there are jobs open for unemployed in distributing the new telephone books.

W9sO wasin town today and relayed his greetingto theClub through Mr. Irving.

The usual Club Raffle was held under the direction of Mr. Felber and the meeting was declared adjourned at 9:55 PM.
